Volunteer profile:

- aged 18 to 30 years
- Portuguese citizenship
- responsible and trustworthy
- loves to work with children
- creative and imaginative
- having organizational skills
- likes to work in big groups
- with positive attitude, open-minded and honestly
- flexible, friendly, helpful
- willing to learn foreign languages

- holding a medical examination (necessary to work with little children in kindergarten)
- not appearing in the criminal record.

Volunteers are not obligatory to have special qualifications to work with children, but experience in that field will be essential.

The volunteer should be

- **ready to work in bigger group of children for longer period of time**
- should have basic knowledge of the development needs of preschool-aged children
- should be able to establish positive relationships with children and adults.

Volunteers with interesting hobbies (sport, art, dance or theatre, circus skills, playing instrument or singing) are welcomed due to the fact that those kinds of classes are very popular and appreciated among our pupils.

Manual and computer skills will be very useful in helping teachers.

Good organizational skill are important due to plan and lead own activities, support important events in kindergarten and children's centre.

EVS activities

1. Support for the activities of care- help in self-activities to young children (like dressing up, feeding).
2. Making teaching aids for classes according to the suggestions of teachers and their own ideas.
3. Help in improving the aesthetics of our kindergarten- making decorations of rooms and the hall.
4. Creating art workshops (different art techniques, modeling of various materials-salt dough, clay, paper).
5. Creating dance workshops (teaching dance, games and plays with music).
6. Organisation of games and activities outside (self-creativity and self-organisation).
7. Teaching foreign languages (adequately to the competences of volunteer).
8. Showing their culture to kindergarten community.
